Ron,

I know the state currently plans to tweak their RDBMS they currently use for Class II permits. I have not heard anything about GWPC funding for the project.

Thanks Craig.

I'm interested in the fact sheet bullet on the database. We had a series of discussions with North Dakota and GWPC about building a database, but they were not able to get funding. Are you aware of a new GWPC effort on building a Class VI database?

Thanks

Ron,

As I understand it, Sadie put the fact sheet together for upward briefing. I put together a sequencing of steps that both Lisa and Lucita (ORC –UIC) reviewed.

I have attached them both. The version of the fact sheet is the latest I have. It may have been modified since. I hope Douglas has passed along anything he had since I have been in the field.

Hi Douglas and Craig,

Did you put together a fact sheet or something on the North Dakota primacy issue? This was raised at the Administrator's staff meeting, and now our AA is asking. I have an e-mail from your RA transmitting the fact sheet, but there is no attachment.

If you have this, can you send it as soon as you can? Thanks
